THE JOSSELIN SOCIETY REFERENCE MANUAL 2004

INTRODUCTION

This is the second offering selected from the accumulated data of the Chairman, Brenda Joscelyne, and the Editor, C. Averil Snodgrass. We have been aided by information from Bill Joscelyne (02), Bea Byrne (101), Jim O'Dea (106) and Derek Joslin (124) and others.

The Who's Who has been compiled from the returned Questionnaires, and other sources, of members who have signed their permission for publication of their data, in addition to selected précis of information in the public domain, however obscure the source. It is hoped that members will find it useful and that they will add any information they have gained during their own researches. Reduplicated research is wasteful of time which we could all spend expanding our knowledge.

Any mistakes or omissions in fact or typography are those of the editor. Please inform her.

It is possible that further information on any item included in the Manual may be available from the authors whose addresses are included in their biographies.

Mrs. Brenda Joscelyne

Dr. C. Averil Snodgrass

GENEALOGIST'S PSALM

**Genealogy is my pastime, I shall not stray.
It maketh me to lie down,
And examine half buried tombstones.
It leadeth me into still courthouses,
It restoreth my ancestral knowledge.
It leadeth me in paths of census records
And ship's passenger lists, for my surnames sake.
Yea, though I walk through the shadows
Of research libraries and microfilm readers
I shall fear no discouragement.
For a strong urge is within me.
The curiosity and motivation, they comfort me.
It demandeth preparation of storage space
For the acquisition of countless documents.
It annointeth my head with burning midnight oil.
My family group sheet runneth over.
Surely, birth, marriage and death dates
Shall follow me all the days of my life.
And I will dwell in the house
Of a family history seeker forever.**
